Rolf Carlson, SANDIA NATIONAL LABORATORIES, *Sandia SCADA Program High-Security SCADA LDRD Final Report*, April 2002

Applicants are enclosing Form PTO-1449 (one sheet), along with a copy of each listed reference for which a copy is required under 37 C.F.R. §1.98(a)(2). Herein included with this Supplemental Information Disclosure Statement are copies of the International Search Reports from two related cases. The Search Reports include a category for each of the cited documents stating the documents' relevance. Additionally, the Search Reports list the relevant sections of the documents. The foreign language document of Brique is relevant to novelty. The foreign language document of Freeman is relevant to inventive step. The foreign language documents of Honeywell, Schuster, and Butnaru are listed as defining the general state of the art which is not considered to be of particular relevance.

Applicants respectfully request the Examiner's consideration of the above references and entry thereof into the record of this application.

By submitting this Supplemental Statement, Applicants are attempting to fully comply with the duty of candor and good faith mandated by 37 C.F.R. §1.56. As such, this Supplemental Statement is not intended to constitute an admission that any of the enclosed references, or other information referred to therein, constitutes "prior art" or is otherwise "material to patentability," as that phrase is defined in 37 C.F.R. §1.56(a).

For purposes of 37 C.F.R. §1.704(d), Applicants certify that each item of information contained in this Supplemental Statement was cited in a communication from a foreign patent office in a counterpart application, and that this communication was not received by any individual designated in 37 C.F.R. §1.56(c) more than thirty days prior to the filing of this Statement (a copy of any foreign communication first citing a listed reference is attached for the Examiner's reference).

Applicants have calculated no fee to be due in connection with the filing of this Supplemental Statement. However, the Director is authorized to charge any fee deficiency associated with the filing of this Supplemental Statement to a deposit account, as authorized in the Transmittal accompanying this Supplemental Statement.

Respectfully submitted,
